REMARKS

An Office Action was mailed June 28, 2006. Claims 1 and 4-32 are pending in the application.

Claims 1, 4-15, and 19 are allowed. Claim 4 is amended to correct a typographical error.

Claims 27-31 solely stand rejected under 35 U.S.C. §112, second paragraph as being indefinite for lacking antecedent basis in the limitation "wherein the baffles." Applicant has amended the limitation to recite that "wherein baffles are fixed to the susceptor." Applicant believes that this obviates the rejection. Further, since claim 27 depends from claim 16, the subject matter of claim 16 has been incorporated into claim 27. Claims 28-31 depend from newly independent claim 27. Thus, claims 27-31 would appear to be in condition for allowance.

Consistent with the Examiner's allowance of claims 1, 4-15, and 19 and the amendment bringing claims 27-31 to allowance, Applicant cancels the remaining claims and reserves the right to file these claims in a continuation application.

The application is in condition for allowance which action is respectfully requested. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Any fee due with this paper, including any extension fee, may be charged to Deposit Account 50-1290.

Respectfully submitted,

Hassan A. Shakir
